Repeat rows 10 to 12 until there are 10 stitches left on needle. Cut yarn and using a darning needle and pull yarn through the 10 remaining stitches.

Secure PomPom from the inside with a safety pin. That way you can remove the pompom when washing the Muetze. If you don't have a fur pompom you can make a yarn pompom and sew it securely onto the Muetze. In that case you will need one extra ball of yarn.
